INTER-OFFICE CORRESPONDENCE

November 26, 2007

To: All Interested Vendors
From: John J. Vigil, Purchasing Manager
Subject: **Cancellation of RFP2008-002--KD**

The subject RFP is being cancelled for revision. The changes to the approach for award are vast enough that re-soliciting this RFP entirely with the correct approach would be in the City's best interest.

A revised solicitation(s) in the same Request for Proposals (RFP) format will be issued shortly. The revised RFP(s) will be assigned a new solicitation number.

Reference the City of Albuquerque's Purchasing Ordinance, Section 5-5-10-E-2-c, "... If a request for proposals is canceled and a similar RFP will be issued within six months, the contents of proposals received in response to the first request for proposals may not be disclosed until after approval by the Mayor of the Recommendation of Award for the second RFP, or cancellation of the RFP."

Please Check the Purchasing website: (<http://www.cabq.gov/vendor/solicitations.html>) for the posting of the new and revised solicitation(s) should you not receive notification. Any questions regarding this solicitation may be made through Senior Buyer Kelli De Angelis @ 505-768-3333 or by email, kdeangelis@cabq.gov .

Thank you for understanding in this matter.
