
INTER-OFFICE MEMORANDUM

TO: RFB2007-151-TC RESPONDENTS
FROM: THOMAS COURTIN, SR. BUYER *TC*
SUBJECT: CANCELLATION OF REQUEST FOR BID NUMBER RFB2007-151-TC
DATE: 5/17/2007

The subject bid has been cancelled. Referencing Item #15 in the General Terms and Conditions of the bid package, the City Of Albuquerque may cancel a bid either before or after the bid opening if it is in the best interest of the City.

The State of New Mexico Environmental Department is pursuing a contract for these same services. For the City to continue with this bid would present a duplication of effort. In addition, the City pays a fee into a Conservation Fee Fund, part of which is used for these services.

The City Of Albuquerque appreciates the efforts you put into this bid and hopes that, should new opportunities come about, you will respond again.
